Installation of Lean-to Greenhouses is available - please see separate price list overleaf.**Prices are based on:**

Customer providing a flat & level paving slab or concrete base.

18" clearance to all 4 sides of greenhouse, and easy access to installation site.

Victorian & Dwarf wall models require minimum 2ft clearance around the entire greenhouse.

Site to be free of obstructions e.g. overhanging branches, powerlines, manhole covers, etc.

For difficult access, or reduced clearance around greenhouse, extra costs may be applicable, which will be advised by the installer before work commences.

Installation money is paid direct to installer.
